

CONTRACT PROTECTIONS

Does your current company's contract protect you or them?

IMB's contract states that if you were to ever leave the company your clients and realtors would not be solicited. Our contract also states you can get paid in full on any closed deals within 60 days of termination or resignation. At IMB Loan Officers always come first.

We take the long-term approach because we believe people come before profit. And we back it up in writing!
